

Supplemental Benefits

IAMAW Local Lodge 1979

Hawaiian Airlines • Northwest Airlines • United Airlines

Local Lodge 1979 members have the opportunity to participate in a voluntary, supplemental benefits program. you can select from a program of supplemental life, accident, and cancer/critical illness insurance (members at United Airlines also have access to a short-term disability plan).

Premiums for these plans are paid through payroll deduction. Keep in mind that you can continue these benefits (with the exception of disability) if you leave your employer for any reason, including retirement.

The supplemental benefit plans offer individual and family coverage and provide benefits in addition to any other coverage you may have. On-site enrollments are conducted periodically by National Group Protection, an IAMAW union shop.

Customer Service
